

Voix Headset

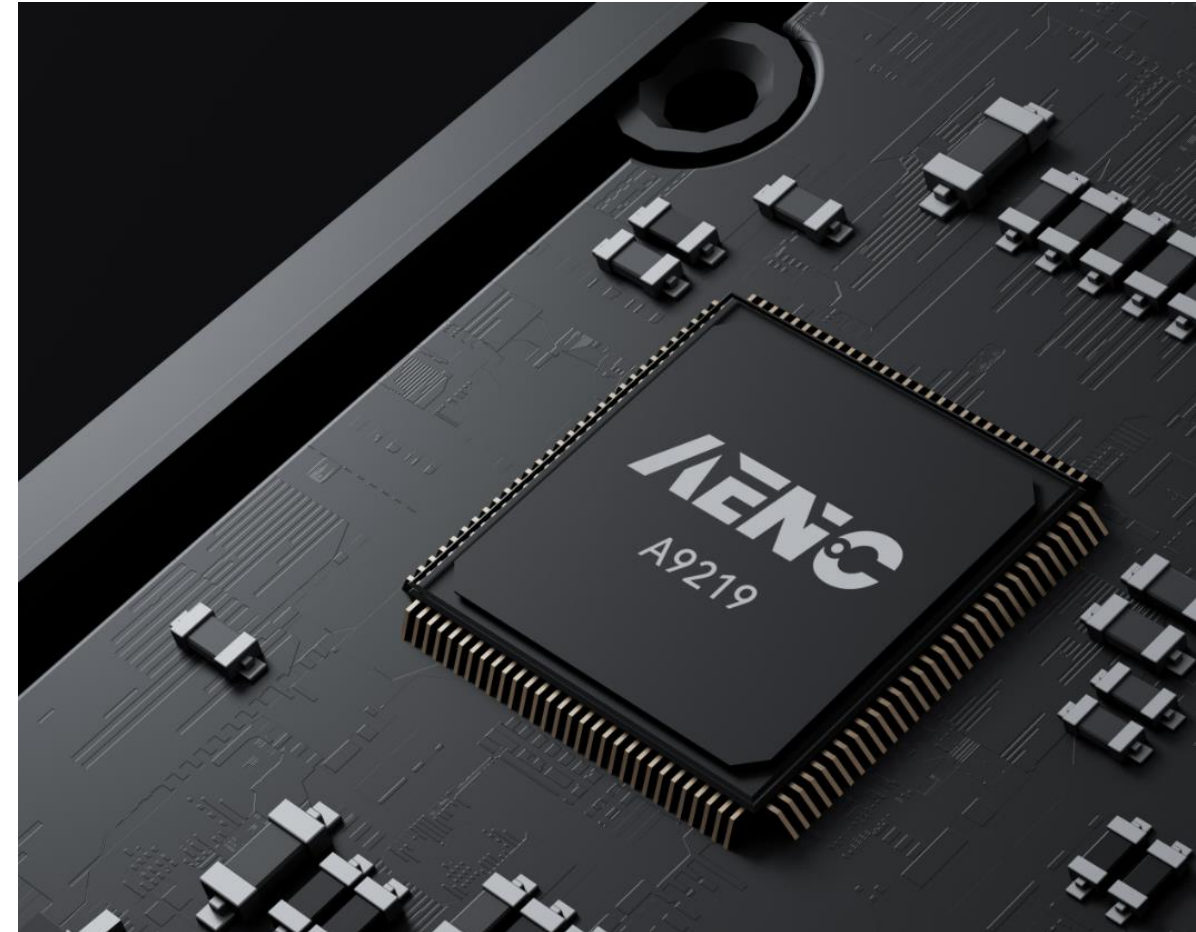

Perfect for MS Teams

Speech Separation & Mic Noise Cancelling

Be heard very clearly no matter how noisy your environment is.

- ***Speech Separation***, AENC VOICE™, our self-developed AI algorithm and audio chip, which can tell your voice and block out nearby talkers. Both the receiver and the caller can concentrate on the call.
- ***3 premium noise cancelling microphones***, effectively block 96% of background noise. Let your voice be heard, not the noise around you.

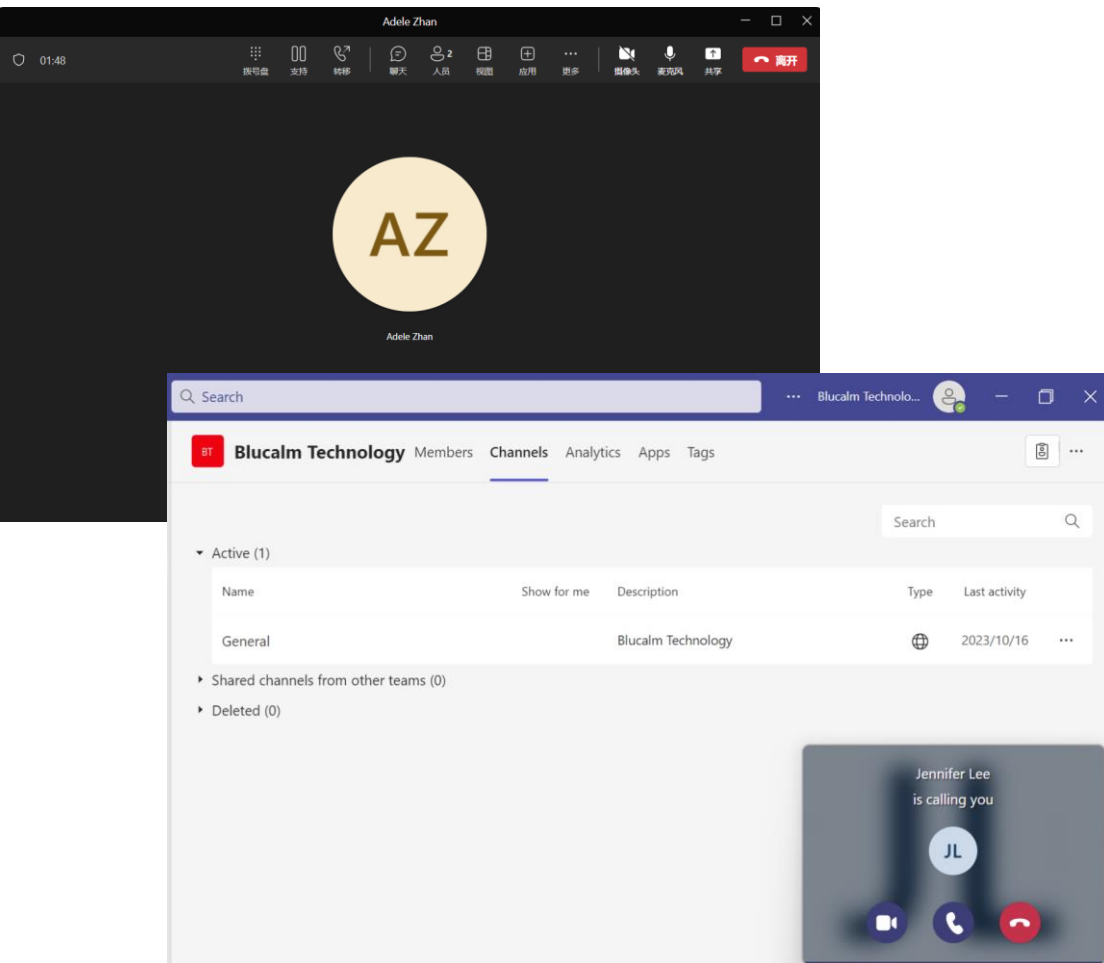

360° Integrated Busylight

Make your working status visible
No missing calls

- *When you have an incoming call*, 360° Busylight glows red. It is visible from any direction.
- *When you're on a call or in a meeting*, the red light is automatically activated.
- *When you want to be focused*, you can activate it manually. It shows your colleagues that you are busy in a polite way.

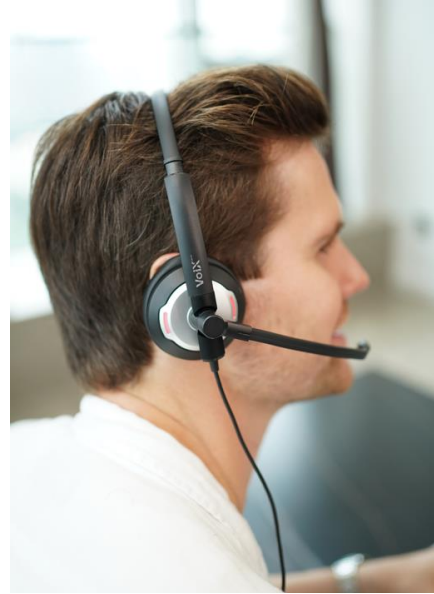

MS Teams optimized

It is MS Teams optimized for seamless collaboration, gives you easy call management with in-line control.

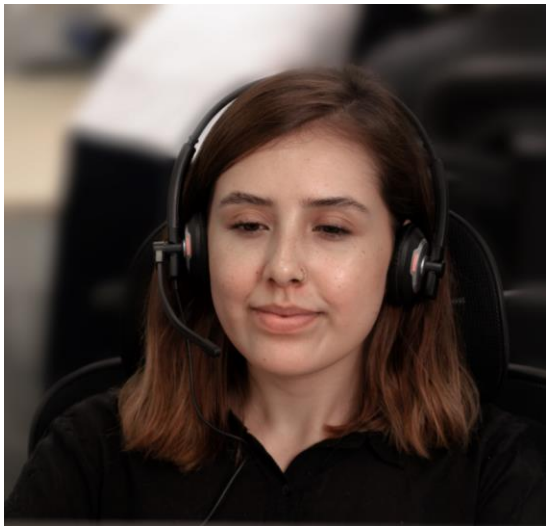

- Mute/unmute
- Volume+
- Volume-
- Call answer/end

All Day Comfort

With Ergonomic designs, it is ideal for all-day use, long conference calls and listening to multimedia.

- Skin-friendly protein leather ear cushions
- lightweight body

Highly Customizable

Our strong R&D team are able to support your technical customization requirements below:

- Appearance & package
- USB identification name
- Sidetone On/Off & intensity
- Mic noise cancelling intensity
- Interactive functions with local softphone platform (answer/end calls by in-line control, incoming call alert rings and light prompts, etc.)

Specifications

Audio Technologies

Noise Reduction Method:
AI mic noise-cancelling technology
Noise Reduction Depth: up to 54dB(A)
Acoustic Echo Cancellation: ✓
Voice Activity Detection: ✓
Comfort Noise Generator: ✓
Automatic Gain Control: ✓
Microphone Array: 3-mic array

Main Microphone

Microphone Type: uni-directional ECM
Microphone Frequency Response
Range: 100 Hz-14 kHz
Microphone Bandwidth: wideband
Microphone Sensitivity:
-44.0±1dB re. 1 V/Pa

Package Features

Package Contents:
-Voix-1060 ENC Headsets
- fabric bag
- quick start guide
Qty/ctn: 20 pcs
N.w/ctn: 2.7kg
G.w/ctn: 5.8kg
Giftbox: 180mm*200mm*50mm
Carton: 430mm*390mm*300mm

General

Material: ABS/TPE
Headset Cable Length: 0.6 m
(from Headset to In-line Controls unit)
USB Cable Length: 1.2 m
(from In-line Controls unit to USB-A plug)
Color: black/silver
Product Size: 180mm(H)*145mm(W)
Weight (Headset&In-line Controls): 133g
Storage Temperature: -5 °c to +70 °c
Operating Temperature: 0 °c to +45 °c

Speaker

Speaker Size: 27.0 mm
Speaker Sensitivity: 101±1dB SPL @ 1 kHz
Speaker Frequency Response Range:
20 Hz-20 kHz
Speaker Impedance: 32 Ω, @ 1.0 kHz
Speaker Input Power: max 10 mW
Speaker Bandwidth: wideband

In-line Controls

Answer/End a Call Button
(Please check the attachment for the compatibility list)
Volume Up/Down Button
Microphone Mute/Unmute Button

Integrated Busylight

Status Indicator: red light LED/no light
Busy Status Display Function:
automatically light up/turn off the red
light on/end a call
Incoming Call Alarm: the red light
flashes (Please check the attachment
for the compatibility list)
Manual Mode: support
(press the answer/end calls button)

Compliance

Audio Certification:
authoritative certification of CTTL
Test Standard: ETSITS103106
Standard Certification:
IOS9001/CE/FCC/ROHS

Audio Quality

Audio Quality: up to 48k/24bit/s
Signal to Noise Ratio: 105dB
Dynamic Range: 0~105dB
Dual Channel Output: stereo

Compatibility:

Operating System	Windows 8/9/10/11, Mac OS, Linux
Connector	USB-A ensure compatibility with PCs, Laptops, Android phone
Softphones	Teams, Skype4B, Cisco Jabber, Lync, Avaya, 3CX, 8x8, Slack, RingCentral, Circuit by Unify, Counter Path Bria, Zoom etc.
