

Voix 1060 PRO

Professional USB Headset for Clearer Communication

Designed for modern workplaces, the Voix 1060 PRO delivers clear voice communication, effective background-noise reduction and comfortable all-day use.

AI Speech Separation & ENC

Be heard very clearly no matter how noisy your environment is.

3 Premium Noise Cancelling Microphones

Effectively block 96% of background noise. Let your voice be heard, not the noise around you.

360° Integrated Busylight

Make your working status visible. No missing calls.

MS Teams Optimized

Seamless collaboration with easy call management using in-line control.

Clear Communication

Be heard clearly, no matter how noisy your environment is.

Connect*

AI Speech Separation

Advanced AI algorithm and audio chip separates your voice and reduces surrounding noise.

ENC Technology

Effectively cancels environmental noise for crystal clear calls.

96% Noise Reduction

Blocks up to 96% of background noise so you sound clear and natural.

Busylight

Stay focused and minimize interruptions. The red light indicates your busy status during calls or meetings.

MS Teams Optimized

Seamless collaboration with easy call management using in-line control.
